

7 / 8 Honors Team

Buettner, Haynes, Spohn & Woolstenhulme

Team Policies

To remain in the Honor's Program, students are expected to maintain an 80% or higher in the core classes. Grades will be checked every 4.5 weeks at progress reports. If a student's grades fall below 80%, they will be on academic probation and a meeting with their parents will be scheduled to come up with a plan to improve their academic success. If at the end of the next 4.5 week grade check the grade(s) have not improved another meeting will be planned to determine continuation in the program.

Late Work Policy

Class work must be completed in class. If work is turned in when due, no more than 70% credit will be given. If the work is only partially completed, credit will be given for work completed up to 70%. Work must be due by the end of the current unit of study.

Homework Policy

If homework is late, students will receive no more than 70% credit on the homework.

Absence Policy

Absence policy must be followed when turning in work from absences.

Revision Policy

Revisions will only be accepted until the end of the current unit of study.

Math - May only redo incorrect problems on homework assignments and only if overall grade is a D or F

SS - Not available

ELA - Revisions of major writing assignments are allowed only if they meet Mrs. Buettner outside of class and if original assignment grade was a D or F.

Science - Revisions are done as needed and only allowed on certain assignments that receive D or F.

Academic Dishonesty (cheating and plagiarism, etc)

As a consequence, students will receive a minor referral and a zero on the assignment with no opportunity to make up the work. Parents will be contacted.

Discipline

The team will follow the school discipline plan using the Blue Book process. Tardies will be considered a discipline infraction as will be unprepared for class.
